

for Schindler, and several Schindler representatives, including Michael Shelburne, attended with settlement authority on behalf of Schindler. The parties were not able to reach a settlement at the mediation.

3. After the mediation was unsuccessful, UHS filed its original petition in Bexar County District Court, and Schindler subsequently removed the case to this Court and filed a counterclaim. UHS has answered the counterclaim.

4. The parties have continued settlement discussions since the mediation, but they have not made any meaningful progress. The parties believe that some discovery and expert consultation may be necessary to guide a potential settlement. To this end, the parties have commenced written discovery and are preparing to produce documents.

5. The parties believe another mediation in the future may be appropriate after the parties participate in initial discovery in this case.

Respectfully submitted on May 17, 2019.
